

"Crossing borders: a world of nematode diversity and impact to discover"

IFNS BURSARIES FOR STUDENTS

We invite you to download and complete this form (save it on your computer before filling it out). Please, send it by email to the Secretary of the European Society of Nematologists Eric Grenier (eric.grenier@inra.fr). Please rename the file along the lines "ICN 2020 Student Bursary Application Eric Grenier" replacing "Eric Grenier" with your own name.

Please ensure that your application is sent by 30 November, 2019.

1 Applicant details

Name

Institution

Address

.....

Post code Town Country

E-mail

Telephone

Society membership (any author)

2 Graduate student research program details

MS or PhD?

Title of your project

Brief outline of your MS or PhD project aims (500 words maximum)

.....

.....

.....

.....

.....

Start and anticipated end dates

MS or PhD supervisor name(s).....

University

3 Funding your attendance at the ICN 2020

Please provide as many details as possible in the sections below.

a) Your approximate total travel costs

b) Registration costs

c) Accommodation costs

Estimated total costs (a+b+c)

Support available from other sources

Net costs (Total cost – other support)

4 Presentation details

Please email your abstract (Word file) with your application to eric.grenier@inra.fr

5 Statement of support

Please ask your supervisor to provide a statement of support.

Name of supervisor

.....

6 Research presentation

Please tick the box corresponding to your area of research presentation.

Plant-nematode interactions

Systematics, phylogeny and phylogeography

Biodiversity and ecology

Nematodes in animal and human health

Integrated nematode management

Legal and regulatory aspects of nematode management

Biological control of nematodes

Nematode omics, metabolism and physiology

Entomopathogenic nematodes

Future of nematology, education and training
