

Cutting-Edge Discovery Research with Spectral Flow Cytometry

Sharing Experiences

European Spectral User Meeting – 5th Annual Meeting

Tuesday, 24 November 2026 9 AM - 2 PM

Granada, Spain

Pre-event to the 1st Mediterranean Meeting on Flow Cytometry

Objectives

Attendees will hear from a lineup of distinguished speakers who are applying Sony's spectral technology in their research. The event will also include updates from the Sony team and opportunities for Q&A, discussion, and networking with fellow researchers.

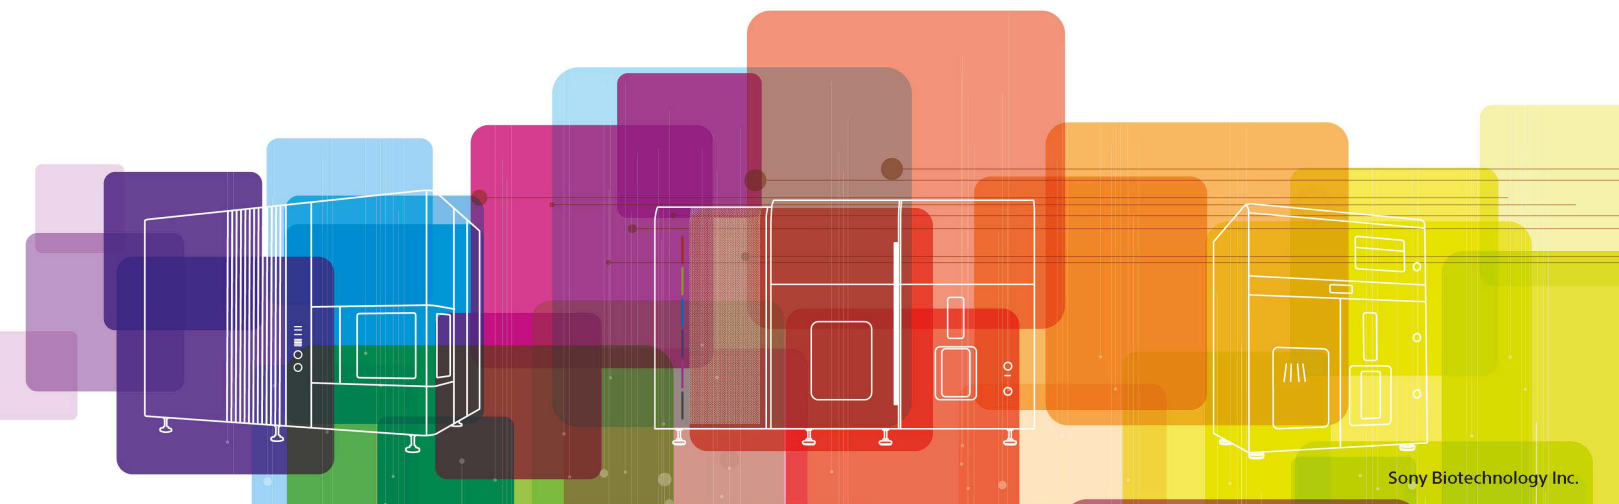

Whether you're already using Sony's platforms or exploring the shift from conventional flow to spectral, this is a valuable opportunity to connect, learn, and be part of a growing, forward-thinking community.

Who should attend

Researchers, scientists and cytometry experts from across Europe who are looking to exchange insights, explore innovations, and grow the spectral cytometry community.

Confirmed Speakers

- **Rui Gardner,**
Head of Flow Cytometry Core Facility
Memorial Sloan Kettering Cancer Center, US
- **Antonia Banyard**
