

EMBO
Workshop

Pathogen immunity and signaling

From 4 to 8 April 2022 | Saint-Malo, France

The organization will strictly enforce **the sanitary measures** during the event, and if necessary, may **adopt additional rules** to ensure the safety of all.

COVID-19 measures

Please 'stay tuned' for the last health measure updates in France by reading the following key information from the French government.

- Should you come from a non-EU country, please visit the website:
<https://www.diplomatie.gouv.fr/en/coming-to-france/coming-to-france-your-covid-19-questions-answered/procedure-for-non-european-nationals-to-obtain-a-valid-covid-certificate-in/>
- Coming to France:
<https://www.diplomatie.gouv.fr/en/coming-to-france/>
- Travel rules and measures whether you wish to enter or exit France:
<https://www.interieur.gouv.fr/Actualites/L-actu-du-Ministere/Certificate-of-international-travel>
- Isolation, testing, attending events – What are the rules in France?
