Objet : Invitation to Sponsor the 57th Annual Meeting of the French Society for Immunology (SFI)

Madam, Sir,

On behalf of the Organizing Committee, we are pleased to invite Sanofi to support the **57th Annual Meeting of the French Society for Immunology (SFI)**, jointly organized with the **Portuguese Society for Immunology (SPI)**.

The meeting will take place on **4-6 November 2026 at the 'Centre de Congrès Pierre Baudis' in Toulouse, France**. Bringing together more than 500 participants, including researchers, clinicians, academics, students and representatives from the pharmaceutical and biotechnology sectors, the meeting will provide an outstanding forum for scientific exchange in immunology. The scientific program will cover basic and clinical immunology, inflammation, infectious diseases, vaccinology, oncology, hematology, rheumatology and allergy, and will feature internationally renowned speakers.

We would be delighted to welcome Sanofi as a sponsor of this event. We would like to invite your company to support the meeting through **a sponsorship contribution to a parallel session, 'CAR-T cells in autoimmune diseases', of € 3,000 (excl. VAT)**.

This sponsorship level includes the following benefits:

- Display of the Sanofi logo in the corresponding session in the program,
- Display of the Sanofi logo on the event's Sponsors page,
- Display of the Sanofi logo in the conference programme booklet and other official conference materials,
- Reduced registration fees for Sanofi attendees (€ 470 excl. VAT per registration).

We would be honoured to count Sanofi among the partners supporting this important scientific event.

Thank you for your consideration.

Yours sincerely,

*Alpha Visa Congrès / SFI-SPI 2026,
On behalf of the Organizing Committee*
