Re: Annual Meeting of the French Society for Immunology  
Exhibition and sponsorship

Madam, Sir,

The **57<sup>th</sup> Annual Meeting of the French Society for Immunology (SFI)** will take place on **4-6 November 2026** at the '**Centre de Congrès Pierre Baudis**', located in downtown **Toulouse, France**. This conference will be jointly organized with the **Portuguese Society for Immunology (SPI)**, thereby strengthening its international scope.

The meeting will feature an outstanding scientific program, including **two distinguished keynote speakers**, among whom **Prof. Shimon Sakaguchi, 2025 Nobel Prize in Physiology or Medicine** (shared with Mary Brunkow and Fred Ramsdell), Professor at **Osaka University, Japan**.

The scientific sessions are intended for a wide audience, covering the fields of basic and clinical immunology, inflammation, infectious diseases, vaccinology, oncology, hematology, rheumatology and allergy. The meeting organizers aim to bring together more than 500 participants, researchers, academics, students, medical practitioners, as well as representatives of pharmaceutical companies and biotechnology industries.

The program will allow specific time slots for visits of stands during coffee breaks, lunches, before the thematic sessions as well as a « wine and poster » session on the first evening providing ample time to participants to discuss with exhibitors.

The organisers would like to invite you to sponsor this event and/or to participate in with a stand at the company exhibition to be held at the Centre de Congrès Pierre Baudis from Wednesday 4 November, 9 am to Friday 6 November, 5:00 pm. Stands will be set up on Tuesday 3 November, starting at 2:00 pm and will be removed on Friday 6 November, starting at 2:15 pm.

Please find enclosed a registration form for the exhibition, as well as a sponsorship application form and a preliminary scientific program.

It is important to point out that the different sponsoring propositions and rates are provided for guidance and we would be happy to consider any other form of sponsorship you would like to implement.

For any additional information, please contact:

**Alpha Visa Congrès / SFI-SPI 2026**  
**624 rue des Grèzes - 34070 Montpellier - France**

We hope to have the pleasure of welcoming you in Toulouse in November 2026.

Sincerely,

*Dr Emmanuelle Jouanguy, SFI President*  
*On behalf of the organizer*
