As parents are at the heart of our work, we encourage parents to participate in all aspects of the conference. We invite you to share a moment of remembrance, and spend some time exchanging about what is done in the different European associations. The goal would be to share resources and tools on how to accompany bereaved families, support research and promote prevention of sudden death.

Bereaved parents and family members benefit from a free registration to the congress (excl. meal). Should you wish to register, please kindly fill in the following form.
